COMMERCIAL DISHERS

- **Color-Coded Handles...**
Designed for instant identification and improved service, the color-coded handles let you streamline your foodservice operation. Bright, identifiable colors help maintain portion control, and make disher size selection quick and easy.
- **Dependability...**
Model 78 Disher is considered the standard worldwide because of its dependable performance.
- **Portion Control...**
Available in nine sizes (6, 8, 10, 12, 16, 20, 24, 30 and 40) to provide exact portion control.
- **Stainless Steel Bowl...**
Created for extended durability and long disher life, the disher bowl is made of the highest quality stainless steel to resist corrosion.
- **Heavy-Duty Spring Action...**
The heavy-duty stainless steel spring allows for ease of operation and long-lasting durability.
- **Sure Grip Handle...**
Made of tough, high-impact plastic, the sure grip handle is designed to reduce hand and arm fatigue.
